Chapter 20: Incubator

They want you to join the Hyades
Haha, Kazumi. Umika and Kaoru want you to live
ひぇっ
Shut up!!
I'll save my friends
This has to do with neither the Hyades nor humans

That's all!
ギュ
ウウン

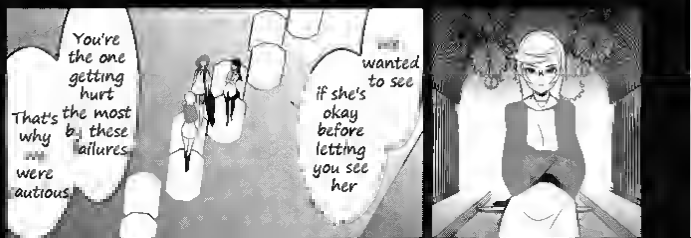
Uwahh!!!

GYAAAHHH!
SHOOT!
(くそっ)
I won't lose!!!
Sorry, Kazumi...

We didn't create you
so that you can experience this...

I'm not done yet!!
We wanted to do lots of fun things
yeah.

Why didn't you tell me that you found Kazumi?
If we had forseen this, then we should have let Saki see you



You're the one getting hurt the most by these failures.
That's why ... were anxious
wanted to see if she's okay before letting you see her

But
But?
As planned, she has no memory of Michiru
She shows no abnormalities when fighting witches
...So
How's this Kazumi?
Like Michiru, she's good at cooking
Maybe it's etched in her body or mind...
Judging from her cooking... the 13th "Kazumi" is close to our goal
Maybe we succeeded this time---
...
Going further back---

Okay, time to finish him off!
OHHHH
Ex File!!

O-Okay
Do it, Saki
GYAAA HHHHH
Pietra di Tuono!!
Umika, what did you...

We can bring back Michiru?

Really?
Yes, I'm dead serious
How?
Niko will use her magic to create Michiru's body
and we will combine our powers to give it life
Then, that life will be controlled by the power of witches rather than our magic
Power of witches? Why...
The power of the miraculous vitality that witches have---
Their hearts, Cor Maleficus
...!

Then Michiru will be back to us?
In theory
However resurrection is a dark art
Whether or not we should do it
is your choice
...
!!
Let's do it
Michiru saved us
not just once, but twice
Twice?
7:

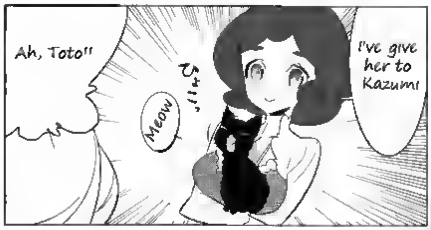
but Michiru knew that magical girls turn into witches.
This is her diary
I still can't fix some sections
She didn't tell us and fought witches many times
She also cleaned our Gems first before her own
No way...
This diary filled with hope from our meeting lost its writer in despair
Is it fine to let Michiru go in despair?
I...

I don't want that...!
Resurrecting Michiru is our way of fighting the magical system and /them/
---It will also break a law of nature
Saki...
Dunn.
...But

we failed over and over again...
UWAHHH
Uwah!

Gah...
IT'S OVER!!
Do you still remember when we decided

I wonder what "Kazumi" will be like
to create Kazumi?
Yeah.
She's gonna look like Michiru, huh
But she'll be radiant and good just like Michiru
Dunno... She'll be a blank slate...
No, I'll win Saki over with my charm and make Kazumi my apprentice
by giving her this
Mixed feelings?



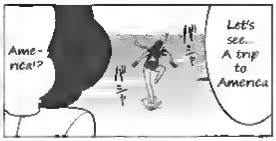
Ah, Toto!!
Meow
I've give her to Kazumi

KAZUMI

Not before she scratched me all over, though
She's all better now and getting familiar with humans

What about you, Niko?
I'll give her the All-Japan uniform I got recently
Oh, so I wasn't the only one with a present
She'll be the first reader of my new work

Then,
maybe I'll talk about my story



Let's see... A trip to America
Ame-rica!?

I want to go to the Grand Canyon and watch the Pleiades Cluster with everyone

to give her these earrings

How about you, Saki?
I want

.....

That's how I feel
Then, these earrings will turn into Kazumi's---
I'm not turning her into Michiru I want to give her Michiru's wishes

Kazumi

We're gonna leave you alone again, huh

I wanted to be with you till the end

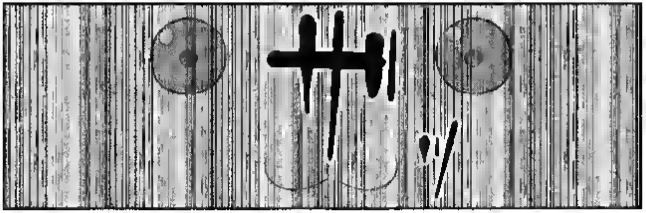
Don't throw away hope...

What should we...
Uh-oh... A witch is coming out of Saki's Grief Seed!!



!!

SFX: crack crack snap
SFX: ROOAAARRR
SFX: BAM

Damn!
We couldn't escape the fairies after all
Oh yeah, him
He can eat it
Incubators
They aren't fairies—
They're organisms that feed off of the Earth—
Come out
I won't forgive them
I'll never for give them

WE INCUBATORS EXIST SOLELY TO HARVEST THE ENERGY THAT COMES FROM HOPE TURNING INTO DESPAIR
DID YOU THINK THAT WE WOULD BE CAPABLE OF CLEANING GEMS WITHOUT GRIEF SEEDS?
YOUR GEMS WEREN'T TRULY CLEANED
THEY WERE JUST BEING POLISHED ON THE SURFACE.
YOU TRICK-ED US...?
THIS IS JUST MY THEORY

SHE'S TRYING TO HELP UMIKA AND KAORU...
SHE ALWAYS FOUGHT WITH US...

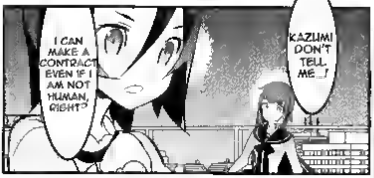
I'M A MAGICAL GIRL BORN THROUGH THE PLAIE-DES MAGIC!



I CAN MAKE A CONTRACT EVEN IF I AM NOT HUMAN, RIGHT?
KAZUMI DON'T TELL ME...!

YOU CAN MAKE A CONTRACT AS LONG AS YOU HAVE A SOUL.
AS THE NAME SUGGESTS, THE SOUL GEM IS MADE FROM YOUR SOUL.

EVEN IF YOU KNOW YOU'LL BECOME A WITCH?
WILL YOU BECOME A MAGICAL GIRL

YOU'VE NOTICED THIS AS A GOOD TIME KAZUMI.

KAZUMI
WHAT IS YOUR WISH?

I'LL NEVER BECOME A WITCH!
I'LL NEVER FALL INTO DESPAIR!
